Rec. No. 1263

Office of the Inspector-General of Police in Mysore

Dated Bangalore, 24th June 1920

Police.

179-19

2

From

A. Subrahmanya Iyer Esquire, B.A..

Inspector-General of Police in Mysore,

Bangalore.

To

C.S. Balasundaram Iyer Esquire, B.A.,

Chief Secretary to the Government

of His Highness the Maharaja of Mysore,

Bangalore.

Sir,

With reference to para 2 of Government Order No. G. 9240-2/San. 14-19-7 dated 27th October 1919, about toxicological work, I have the honor to state that instructions already exist in the matter referred to by the Chemical Examiner.

Paras 3 and 4 of appendix IV in the Police Manual Part II refer to cases of poisoning and the instructions appear to be full and to provide for all information that is likely to be useful. No change appears to be necessary.

As regards blood stains there is provision in para 7 of the appendix referred to above to indicate the same by pencil marks or pins. This might be slightly amended as noted below:--

" 7, Articles requiring examination for the presence of blood seminal or other stains may if desirable be forwarded direct to the Chemical Examiner the following rules being strictly attended to"

" 1. When clothes are sent up any stains considered to be suspicious should be indicated by a tracing in ink or colored pencil round such stains."

I have the honor to be

Sir,

Your most obedient servant,

Inspector General of Police.

From

The Offg. Inspector-General
of Police in Mysore.
